

Kevin Cleghorn, President
Brad Hays, Vice President
Pam Wells, Secretary
Stuart Smedley, Treasurer

Greetings,

I hope and pray this finds you and your staff well. I would like to first introduce myself to those who do not know me. I am Kevin Cleghorn and I am the Saline County Coroner in Benton. I have been associated with the office for the past ten years as the Chief Deputy Coroner and now beginning my second full term as the elected coroner. As of January 1, 2017 I became the President of the Arkansas Coroner's Association and am looking forward to working for each and every one of you to help make your job and/or office what you need it to be. The executive board has been in close communication and with our first official meeting approaching as well as with the association's education development committee we are excited where this year will take us. We hope you will be encouraged to be a part of the association in 2017. We have discussed several projects that we would like to implement in the state to assist your offices and are currently working on legislation started by the previous administration that we believe you all will appreciate. As the project details are worked out we will be sending more information for you as well as numerous education opportunities throughout the year all of which are free to coroners and deputy coroners. Again, we hope that you and your deputies will all consider being a part of the association and being a part of making a difference in the State of Arkansas. If you have any suggestions, concerns or questions please contact one of us at the numbers listed below. We look forward to hearing from you and serving you.

Sincerely,
Kevin Cleghorn D-ABMDI, NREMTP
President, Arkansas Coroners' Assoc.
